

The mission of the Polly Hill Arboretum is to perpetuate the experimental tradition in horticulture established by Polly Hill by sharing knowledge of plants and scientific procedure through educational programs, research, plant conservation, and exploration. The Arboretum seeks to preserve its meadows and woodlands, to promote an understanding of its collections, and to encourage their utilization for scholarship, observation, and the enjoyment of all.

MEMBERSHIP LEVELS *(see benefits on reverse)*

- | | |
|--|--|
| <input type="checkbox"/> Polly Hill Circle (\$1,000) | <input type="checkbox"/> Friend (\$100) |
